Subject: Invitation to University of Innsbruck

Assoc. Prof. Dr.-Ing. Calin VAIDA
Technical University of Cluj-Napoca
Faculty of Machine Building
CESTER - Research Center for Industrial
Robots Simulation and Testing
Cluj-Napoca, Cluj, Romania

Innsbruck, 2018-09-25

Dear Dr. Vaida, it is my pleasure to invite you at the University of Innsbruck within my department Unit Geometry and CAD, for one week, between 7th and 13th of October for scientific documentation. Our main topic of work will concern the use of algebraic methods in the analysis of complex robotic structures for medical applications.

I will extend my invitation to Mr. Iosif Birlescu who will join us for all our activities.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Manfred Husty".

(Manfred Husty, Professor of Geometry)
